TRADE AND CONVENTION CENTRE

VENUE SPECIFICATION

Chennai's Premier Trade & Convention Destination

EVP
TRADE AND CONVENTION CENTRE

VENUE AT A GLANCE

The EVP Trade and Convention Centre is a premier multi-purpose facility offering a combined 19,528 sq. m. (2,10,194 sq. ft.) of exhibition hall space across four distinct halls. Beyond the halls, the venue features an Entrance Plaza, Food Court, Food Court Dining area and a vast Open Space — making it one of the most comprehensive convention destinations in the region.

EVP
TRADE AND CONVENTION CENTRE

HALL A, B & C — DETAILED SPECIFICATIONS

Halls A, B and C share identical dimensions and represent the core exhibition spaces of the venue, offering the largest individual footprint at 5,030 sq. m. (54,144 sq. ft.).

Hall A

Hall B

Hall C

Hall D

Area	5,030 sq. m.	54,144 sq. ft.	*Total floor area*
Length	114 m.	376 ft.	*Longest hall dimension*
Width	43 m.	144 ft.	*Consistent across A, B, C*
Max. Height	15 m.	52 ft.	*Peak ceiling height*
Min. Height	9.7 m.	32 ft.	*Lowest ceiling point*

Ideal For: Large-scale trade exhibitions, industrial expos, automotive shows and events requiring extended linear staging or display areas.

Key Advantage: All three halls maintain a consistent maximum ceiling height of 15 m. and a minimum height of 9.7 m., accommodating tall displays, rigging and large installations.

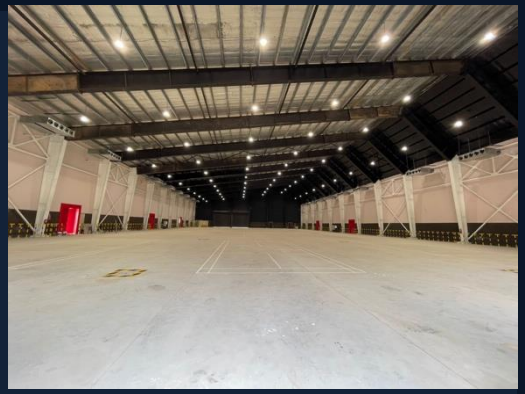

Exhibit Space: **4381 sq. m. / 47,160 sq. ft. per hall**

EVP TRADE AND CONVENTION CENTRE

HALL D — DETAILED SPECIFICATIONS

Hall D is a uniquely proportioned space with a slightly smaller total area but a greater width than the other halls. At 4,438 sq. m. (47,762 sq. ft.), it features a width of 45 m. — the widest of all four halls — and a maximum height of 15 m., matching the ceiling height of Halls A, B and C.

Dimension	Metric	Imperial	Note
Area	4,438 sq. m.	47,762 sq. ft.	*Smallest of the four halls*
Length	96 m.	316 ft.	*Shortest hall length*
Width	45 m.	150 ft.	*Widest hall in the venue*
Max. Height	15 m.	52 ft.	*Matches Halls A, B, C*
Min. Height	9.7 m.	32 ft.	*Consistent with all halls*

Widest Hall

At 45 m. (150 ft.), Hall D offers the greatest width of any hall in the venue, ideal for wide-format staging or broad exhibition layouts.

Flexible Configuration

Hall D's unique proportions make it well-suited for events that benefit from a wider, slightly shorter footprint — such as banquet setups or theater-style arrangements.

Consistent Height

With a max. height of 15 m. and min. height of 9.7 m., Hall D maintains the same vertical clearance standards as the rest of the venue.

Exhibit Space: 4035 sq. m. / 43,428 sq. ft.

EVP
TRADE AND CONVENTION CENTRE

ENTRANCE PLAZA

The Entrance Plaza serves as the grand gateway to the EVP Trade and Convention Centre, providing a spacious pre-function area for guest arrivals, registration and outdoor gatherings. At 1,885 sq. m. (20,300 sq. ft.), the plaza offers ample room for branded installations, welcome receptions and crowd management.

Area	1,885 sq. m. / 20,300 sq. ft.
Length	50 m. / 164 ft.
Width	38 m. / 124 ft.
Max. Height	10 m. / 10 ft.
Min. Height	7.6 m. / 25 ft.

Pre-Function Use

The plaza's generous dimensions make it ideal for registration desks, sponsor activations and welcome signage — setting the tone for events before guests enter the main halls.

EVP TRADE AND CONVENTION CENTRE

FOOD COURT & DINING AREAS

The EVP Trade and Convention Centre features dedicated food service spaces designed to cater to large volumes of attendees. The Food Court and Food Court Dining areas together provide over 2,449 sq. m. (26,364 sq. ft.) of space for catering, dining and refreshment services — ensuring seamless hospitality throughout any event.

Food Court

Area: 1,607 sq. m. (17,300 sq. ft.)

The main Food Court area provides a central hub for casual dining and quick-service options during exhibitions and trade shows. This space is designed to handle high foot traffic efficiently, with room for multiple food vendors, seating, and service counters.

Configurable into 14 individual kiosk

Food Court Dining

Area: 842 sq. m. (9,064 sq. ft.)

The dedicated Food Court Dining area offers a larger, more formal dining environment suitable for seated meals, catering setups and group dining experiences. At nearly twice the size of the main Food Court, the Dining area can accommodate large-scale catering operations, buffet setups, and formal seated events for hundreds of guests simultaneously.

ENGINEERING A SAFER EVENT EXPERIENCE

Our robust, high-capacity hydrant infrastructure ensures continuous coverage across our halls.

Massive Water Reserve

Dedicated firefighting water reserves of 210,000 liters (combining baseline 110,000-liter capacity and an ongoing integration of an additional 100,000-liter reserve).

Main Electrical Pump

Powered by Kirloskar engineering, our main 60HP (45kW) electrical pump drives an impressive 2900 m^3/hr flow rate at 2900 RPM.

Diesel Backup Pump

Heavy-duty 68HP Kirloskar diesel backup pump delivers 2150 m^3/hr flow rate at 2150 RPM, keeping the entire hydrant network fully pressurized independently.

Jockey Pump

7.5HP (5.5kW) Kirloskar Jockey Pump running at 3000 RPM automatically balances minor fluctuations, preventing system wear while ensuring the grid is perpetually primed.

EVP
TRADE AND CONVENTION CENTRE

FLEXIBLE SPACE. SEAMLESSLY CONNECTED.

Every hall is an independent venue with dedicated access, allowing multiple events to be hosted simultaneously with complete privacy and operational efficiency.

For exhibitions and integrated events, temporary covered tunnel structures can be installed between the halls, creating a seamless, weather-protected connection. This transfers the individual halls into one unified event experience, enabling smooth visitor movement while maintaining the flexibility of modular space.

Whether you require a standalone venue or a fully interconnected exhibition complex, EVP adapts to the scale and vision of your event.

EVP
TRADE AND CONVENTION CENTRE
